

First ENPC MBA reunion in New Delhi

New Delhi, July 2013

14th of July 2013, we had our first ever ENPC MBA Alumni meet in New Delhi !! Graduates of ENPC's MBA programme, from graduation years 1999 to 2005 met, at our host Rishabh Mehta's office. The meet was followed with a traditional Indian meal at a Restaurant called Kasbah. Our sincere thanks to Desmond McGetrick, President of ENPC MBA alumni association who took the initiative and helped us to kick start this movement.

Desmond shared the details of his trips to London, Casablanca and USA. It was clear from the pictures that each one of us has been waiting for this opportunity. It felt great to walk down the ENPC MBA memory lane: reflecting our positive global presence and the energies we all hope to bring towards creating a 'day after tomorrow'. It was agreed that this reunion should be the first of many in New Delhi and India.

The very same evening, we created ENPC MBA group on Facebook with a vision to ensure that each and every alumnus be part of this wonderful association. In less than a month with 468 members joining this group globally, we can surely do wonders in terms of promoting our alma mater besides networking.

Additionally we decided, to keep the momentum – a National Head Board needs to be created along with local area convenors that would ensure smooth and efficient functioning of ENPC MBA Alumni Association.

Covered by Rishabh MEHTA (MD, Sector 6 Technologies) & Mahima Shastri (Partner, SASYA-Image Studio LLP)

From President, ENPC MBA

Dear fellow alumni,

Since April 2013, we have witnessed an (re-)awakening of our worldwide network with successful meetings in New York, London, Paris, Munich, Delhi, Pune and Bangalore. We kick off in the Fall with a Paris gathering on Entrepreneurship (Sept 28th), followed by meetings in London (Oct 14th), Casablanca (Nov 1st) & New York (May 10th, 2014). Please read the message from alumni graduated this year, wrt. the Sept 28th event. I count on those of you in Paris on Sept 28th to take advantage of this gathering to take control of the destiny of your alumni association. 90% of success, as always, is to SAVE THE DATE... and then meeting great people with common values.

Best Regards,
Desmond McGetrick
(President, ENPC MBA ALUMNI)

Coming Up In India

@Delhi

Proposed event on 20th Sept 2013 with Prof Suman Modwel in Delhi, keep yourself free ! For exact dates and venue, please contact Mr Rishabh Mehta (9810174445). Alumni across India are invited.

@Pune

Third Alumni event of the year, for exact dates please contact: Mr Chetan Shetty (09823123123), Mr Rohit Agarwal (09850637277).

@Bangalore

The next event focusing southern cities Bangalore, Chennai & Cochin on 12th December 2013 in Bangalore. For venue & details please contact Mr Taju Abraham (09986218793) or Mr Tanuj Jain (09538966722)

@Mumbai

Looking forward for an alumni in Mumbai to take a step to gather Mumbai based alumni.

First ENPC MBA reunion in Pune

At an event jointly hosted by the ENPC MBA Alumni Pune and Extentia Information Technology Pvt. Ltd., the ENPC MBA alumni of Pune Mr Rohit Agarwal & Mr Chetan Shetty invited Prof Desmond McGetrick, to speak on the linked ideas of “building the world of the day after tomorrow” and “doing well by doing good”. Prof Desmond showed how corporate entities can be profitable, as well as valuable to the world at large - while creating a sustainable state of progress. This event was covered by the local media as well.

“Values driven, driven to create values” was the core philosophy he advocated, around which a sustainable development model could be created. The long term goal has deep implications in the worlds of finance, marketing, and various other aspects of conducting business today. He explained with examples how creating “value and profit” instead of simply creating profit was actually practical.

We also felicitated 3 non-profit organizations that had been working closely with Extentia over the past several years. They were Vani Subramanyam of “Friends of Children”, Ruksheen Vajifdar of “FEED” and Purnima Joshi of the “Kalyaninagar Residents Association”.

Alumni Perceptions !!!!

"I was really excited to meet my old classmate during our Alumni meet on July 14th 2013. I would like to thank Desmond & Rishabh for bringing us all together and relive our nostalgic college days. I strongly feel that this is a great beginning and ENPC alumni in India will do many more such gatherings and meaningful efforts to build the brand equity of ENPC MBA in India and Asia at large."

- Dushyant Kohli

Digital Marketing Consultant & Market Entry Expert, India

- **Traveling : India or across the World**

Be it India or across the world, if you are traveling to any city, there is always an ENPC MBA alumni there to give you company! - A drink together is always a good reason for networks to build!!

- **ENPC MBA India database - Share with your classmates & help to compile**

Following the alumni meets, work on ENPC MBA India database is progressing. The compiled list will be shared with pontos.org to verify alumni status and to publish in global database. Interested alumni who have not yet shared, please send your current profile, company, year of passing, campus, email ID, contact number & current city to mecei@yahoo.com

First ENPC MBA reunion in Bangalore

Our alumni Taju Abraham, realtor, broke the silence by dawning upon us of the long forgotten fraternity of our university, thus triggering an excitement to relive fragments and academics! We would like to express our gratitude to Desmond McGetrick and Einstein for inspiring us to come together and discuss the future possibilities. Five alumni, Tanuj Jain, Ponnanna Uthappa, Desmond McGetrick, Einstein Albert and I met on the evening of 18th July 2013 at Smoke House Deli in Bangalore.

Desmond delivered a beautiful and crisp presentation on the progress of our alumni movements. The content delivered and subsequent discussions resulted conviction amongst us - the value addition and strength we bring together including commercial opportunities from networking. Both Tanuj and Ponnanna emphasized on not only having such alumni gathering but also to bring at least two alumni to these events, this suggestion was agreed by all.

We felt the idea of alumni newsletter needs to be further developed and catalyst Ponnanna Uthappa, VP - India and Offshore, hibu; offered the support of his official teams time and expertise for the content layout and design of our newsletter. We look forward to convening, enriching and capitalizing together on treasures of this world.
